

{ planning for project } \Rightarrow

- one hour slot to open to create post {8-9}
- enable post option / UI only in 8-9 AM
- Don't show any post of any one in that particular time

user who create Post	Comment	like
will be deducted by 10 points.	will be deducted by 4 points	will be deducted by 2 point for comment post like
initially $\rightarrow 0$ After $\rightarrow 4 + 9 = 5$ + 80 people	initially $= 0$ After = number of likes	1 Point for comment like

Morning 7:30 \rightarrow comment & like will be stopped. & whoever will be on top will win.

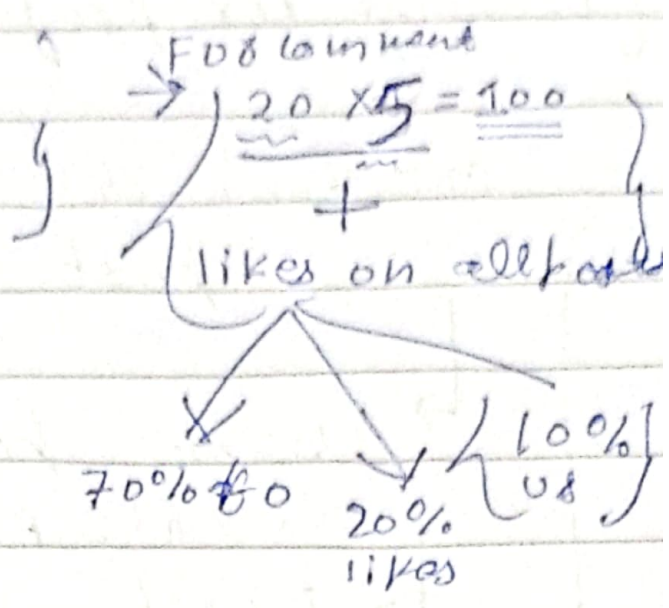

Post A | 50 Post

Post B |

Post C |

Post D |

Post E |

→ on every like & comment we have to reuffle the order & those who don't have any likes or comment will be sorted on basis of Math.random.
